Dear Colleague,

We understand your decision to move on from **EXL** and respect your choice. This note shares important information on the payout of wages and the **Full & Final (F&F)** settlement after your **Last Working Day (LWD)**. As you are currently serving your notice period, we are sharing these guidelines to provide clarity on statutory requirements and to support a smooth, hassle-free exit process.

Note: This communication is being sent to your personal and official email IDs as per available records.

Wages Payout Within 2 Working Days from LWD

As per the **Code on Wages**, payable wages will be settled within **two (2) working days** from your **Last Working Day (LWD)**, subject to applicable statutory deductions (such as PF and TDS/Income Tax) and completion of required internal processes. Please note: this payment covers **only the 'wages' component** (as defined under the Code on Wages) and **is not** your complete Full & Final settlement. Under the Code on Wages, wages' generally means a minimum of **50% of total remuneration** (excluding PF), calculated as per the revised salary structure and processed after your LWD.

Full & Final (F&F) Settlement

Please note that the payout of "Wages" **does not** constitute the complete **Full & Final (F&F)** settlement. The remaining components (such as other dues, adjustments, recoveries, leave encashment, claims, and reimbursements) are processed after completion of all departmental and asset clearances. The F&F settlement is normally completed within **45–60 days from the LWD**. Timely completion of exit formalities and settlement of any company payables will help facilitate faster processing. F&F is processed twice a month (between the **10th–15th** and **25th–30th**). In case of any recovery (e.g., notice pay shortfall, service agreement, pending travel expenses), please pay via online mode using the bank account details shared below. After all clearances are completed, we will share the Experience-cum-Relieving Letter along with the F&F settlement.

Exit Formalities

Please review this **Exit Guidelines** document carefully and complete the required actions within the stipulated timelines. This will facilitate timely processing of wages, followed by your **Full & Final (F&F)** settlement as per the prescribed timelines.

Support & Assistance

For any further queries, please refer to this document, visit the **HR Wiki** (as applicable) for HR-related information, or contact the **DHRO Helpdesk** at **0008000402089** while you remain active in the system.

- For a copy of your resignation acceptance letter, please email hr.sharedservices@exlservice.com about 3–4 working days before your exit.
- Before leaving, please update your personal email in Journeys using the path: **Planet > Oracle Fusion > Me > Journeys > Email Update Request > Start Journey > Add Email > Submit**.
- You can log in to the **EXL Alumni Portal** 2–3 days after your exit to access documents (as applicable).
- Ensure your attendance is updated in ATLAS up to your **last working day**.

Statutory Benefits

Provident Fund (PF) – Withdrawal / Transfer (Online Process)

Step 1: Activate your UAN (EPFO Face Authentication Technology – FAT)

This process requires an Aadhaar-linked mobile number and the Aadhaar Face RD app to complete face authentication. **Steps to activate UAN using Face Authentication (FAT):**

- **Install apps:** Download **UMANG** and **Aadhaar Face RD** from the Google Play Store or Apple App Store.
- **Open & log in:** Open UMANG, log in (or register), and search for **EPFO**.
- **Select service:** Under EPFO services, select **UAN Allotment and Activation (Through Face Authentication)**.
- **Enter details:** Enter your Aadhaar number, name, and date of birth.
- **Aadhaar OTP:** Click **Get OTP**, enter the OTP received on your Aadhaar-linked mobile number, and provide consent.
- **Face authentication:** Follow the on-screen instructions to perform a live face scan using the Aadhaar Face RD app.
- **Final activation:** Once the scan is successful, your UAN will be activated and a temporary password will be sent via SMS.

Step 2: File EPFO online claims (Transfer / Withdrawal / Advance) – prerequisites

- Your **Aadhaar must be linked with an active mobile number** (Aadhaar-based OTP authentication is mandatory for online EPFO claims).
- Your **KYC details** (Aadhaar, PAN) must be updated and **approved by the employer** on the EPFO portal.
- You can verify your **UAN** and **EPF Member ID** in your monthly **salary slip** (PF section), along with PF contribution details.
- Your **bank account number and IFSC** must be updated and **approved by the bank** (Bank KYC).
- Until **Bank KYC** is approved, you will not be able to initiate any online claim (transfer, advance, or withdrawal).
- If you have **more than one UAN/EPF Member ID**, ensure that **personal and KYC details** (name, DOB, gender, father/husband name, relationship) are updated **identically** across all records to avoid rejection.
- If corrections are required in personal details, file an **Online Joint Declaration** as per EPFO process.
- Ensure **Date of Joining, Date of Exit, and Reason for Exit** for previous establishments are updated on EPFO (check **View → Service History**) to initiate transfer/withdrawal.
- **EPFO e-Nomination (important):** Ensure your **e-Nomination** is completed/updated on the EPFO Member Portal (Family details and nominee). In the absence of a valid nomination, PF settlement to legal heir(s) may require additional documentation and may take longer.

Steps for online transfer process

- Log in to the EPFO Member Portal at <https://unifiedportal-mem.epfindia.gov.in/memberinterface/>.
- Log in using your **Universal Account Number (UAN)** and **password**.
- Navigate to **Online Services** and select **One Member – One EPF Account (Transfer Request)**.
- Verify your **personal details** and **PF account details** for your **current employment**.
- Click **Get Details** to view the **EPF account details of your previous employment**.
- Choose either your **previous employer** or **current employer** for **attestation of the transfer claim**, as applicable.
- Click **Get OTP**. An OTP will be sent to your **mobile number registered with Aadhaar/UAN**.
- Enter the OTP and click **Submit** to complete the request.
- After OTP validation, a **PDF copy of the submitted form** will be available for your reference.
- Once the request is **attested by the selected employer**, it will be forwarded to the **EPFO field office** for review and approval.
- After **approval by EPFO**, an **SMS confirmation** will be sent to your Aadhaar-linked mobile number.

Common rejection reasons & tracking (quick checklist)

- **Personal details mismatch:** Name/DOB/Gender/Father–Spouse name mismatch between EPFO and Aadhaar/PAN can lead to rejection. Raise an **Online Joint Declaration** to correct the details.
- **KYC not approved:** Aadhaar/PAN not approved by employer or **Bank KYC** not verified/approved may block claim submission or cause rejection.
- **Date of Exit / Reason for Exit not updated:** If DOE/Reason for Exit is missing for any previous establishment (check **View → Service History**), withdrawal/transfer may not proceed.
- **Bank details mismatch:** Incorrect account number/IFSC or name mismatch with bank records may lead to payment failure. Please verify bank details before filing.
- **Track your request:** After submitting a claim/transfer, use **Online Services → Track Claim Status** on the EPFO Member Portal to view current status and any remarks.

For any query related to EPF, please raise a request on the EXL Alumni Helpdesk.

Note: The above guidelines are applicable to employees contributing PF, as per the EPF Act, 1952.

Employees' State Insurance (ESIC) – Important Guidance for Separated Employees

If you were covered under **Employees' State Insurance (ESIC)** during your employment, please note the following points to help you continue availing eligible benefits (as applicable) and to avoid claim rejections.

- **Who is covered under ESIC:** ESIC generally applies to eligible employees working in ESIC-covered establishments and drawing wages up to the **ESIC wage ceiling** as notified from time to time. Coverage depends on the employee's work location/establishment coverage and wage eligibility during the relevant contribution period.
- **Check your ESIC details (Insurance Number / IP Number):** Your ESIC Insurance Number (IP Number) remains the same for future employment under ESIC. Keep it for reference along with your registered mobile number and Aadhaar details (as applicable).
- You can also find your **ESIC Insurance / IP Number** on your monthly **salary slip** (ESIC section), along with ESIC contribution details (if applicable).
- **Continue availing eligible medical benefits (as per ESIC rules):** Depending on your contribution period and benefit eligibility, you and your registered family members may continue to be eligible for medical benefits for a defined period after separation, subject to ESIC provisions and validation by the dispensary/branch office.
- **e-Pehchan / ESIC card:** If you do not have the e-Pehchan card/print, you may download/obtain it using your Insurance Number (IP Number) through ESIC online services or by visiting your ESIC dispensary/branch office.
- **Update / correction requests:** Any correction in personal or family details (name/DOB/mobile, dependents, dispensary mapping, etc.) must be updated as per ESIC process. Please keep supporting documents ready (Aadhaar, DOB proof, marriage certificate, etc., as applicable).
- **Claims & reimbursements (if applicable):** For any pending ESIC benefit/claim query (medical, sickness, maternity, disablement, dependents' benefit, etc.), please approach the concerned ESIC dispensary/branch office for entitlement confirmation and claim status, as per ESIC rules.
- **Support channel:** For employer-side clarification (employment/coverage details) or assistance to route your query, raise a ticket on **EXL Alumni Helpdesk** under category **ESIC/Insurance** (or "Others" if the ESIC category is not available), with your Employee ID, Insurance Number (IP Number) and query details.

Gratuity Payout for Ex-Employees (India Payroll)

- Eligibility (regular employees): Continuous tenure of more than **4 years and 240 days**.
- Eligibility (fixed-term employees): Continuous tenure of more than **1 year** (pro-rata).
- Disbursement timeline: Within **30 days** of last working day (separation date) to the employee's bank account.
- **Gratuity nomination / legal heir readiness (important):** Ensure your **Gratuity nomination** (as per company/HR records) is completed and up to date. If a valid gratuity nomination is not available,

settlement to nominee/legal heir(s) may require additional supporting documents and may take longer as per the applicable process.

- For tax exemption on gratuity payout, submit the signed gratuity tax exemption form to HRSS in person or email to **Arun.Lakehra@exlservice.com** within **7 days** of the exit date.
- If the gratuity tax exemption form is not received within the stipulated timeline, **TDS (if applicable)** may be deducted as per Income Tax provisions. Where eligible, employees may claim the appropriate credit/refund while filing their **Income Tax Return (ITR)**.
- To request the gratuity form, email **Arun.Lakehra@exlservice.com**.

Tax & Deductions (Things to Remember)

Payroll Reimbursement

Telephone/Broadband Reimbursement (for active employees – before exit): To avoid any loss of eligible reimbursements and to support accurate tax processing during your Full & Final settlement, please upload all unclaimed Telephone/Broadband expense documents on the Payroll ESS portal by the **cut-off date** communicated by Payroll (as applicable).

Note: Applicable only for active employees (i.e., employees who can access Payroll ESS prior to separation).

- The reimbursement booking page will be closed as per the **cut-off date** communicated by Payroll.
- Unclaimed or disallowed bills for the **current financial year** will not be carried forward to the next financial year; eligibility will lapse.
- Entering the complete **invoice number** and **invoice date** is mandatory. Claims may be disallowed if the invoice number or date is incomplete or does not match the supporting documents uploaded.
- Bills must be **post-paid** and issued in the **employee's name** only.
- **Prepaid bills** or **payment charge slips** are not considered valid invoices.
- The maximum file size for scanned document uploads in a single submission is **4 MB**. However, you may submit multiple claims if required.
- Please log in to the Payroll ESS module: **<https://smartpay.buzzily.com/exlpayroll>**

If you need further clarification, please raise a ticket in the Payroll SmartPay portal under **Helpdesk > My Query**.

- Submit payroll reimbursements for unclaimed amounts to the Finance Payroll Team along with the **SmartPay-generated** reimbursement booking sheet, mentioning your EXL Employee ID and bill details, at **payroll@exlservice.com**.
- If the claim form is not received by the last working day, unclaimed payroll reimbursements will be paid as a taxable allowance along with the Full & Final settlement.

Investment Proof & Tax Exemption

- Email scanned copies (or submit hard copies) of all investment proofs to payroll@exlservice.com.
- **Review your investment proof status (important for F&F tax):** You may review the status of your approved/partially approved/disallowed proofs on the Payroll ESS (SmartPay) portal and raise clarifications within the **cut-off date** communicated by Payroll (as applicable).
- Log in to Payroll ESS (SmartPay): <https://smartpay.buzzily.com/exlpayroll> and click **Rejection Summary** to view details of any disallowed investment proofs (if applicable).
- If any proof is rejected due to missing documents (e.g., **Form 12BB**, landlord PAN, rent agreement, etc.), please raise a ticket on the SmartPay Helpdesk under **My Queries** within the communicated cut-off date.
- **PAN must be valid and operative:** If PAN is unavailable, incorrect, or inoperative, tax may be deducted at a higher rate as per Income Tax provisions.
- If valid documents for previous employer income (e.g., **Form 16** or F&F tax computation) are not provided, such income may not be considered for tax calculation.
- Proofs should relate to the current financial year only. Investments made after the date of leaving will not be considered. If no proof/rent receipts are submitted by the last working day, tax may be deducted assuming no eligible investments/rent.
- Tax benefit for interest/loss on housing loan/education loan will not be processed with the Full & Final settlement (any such benefit already considered during the financial year may be reversed).
- As per Income Tax rules under Section 10, for claiming gratuity and leave encashment tax exemption, provide Form 16 from all previous employers (prior to EXL) along with the exemption declaration form.
- For HRA exemption under Section 10, landlord PAN is mandatory where monthly rent is more than ₹8,333.
- To request the leave encashment form (and submit the filled form, if applicable), email payroll@exlservice.com.

Tax on PF Settlements

TDS on EPF withdrawal will apply if:

- Employee service is less than 5 years.
- PF withdrawal amount is more than or equal to ₹50,000 (as per the applicable threshold).
- TDS will be deducted at **10%** if PAN is submitted.
- If PAN is not submitted, TDS will be deducted at the maximum marginal rate (as applicable).

Exemption from TDS may apply if:

- The employee has completed **5 years or more** of continuous service, including previous service where PF transfer has been effected.
- The employee withdraws from PF after completion of **5 years** of service.
- The PF withdrawal amount is up to ₹50,000 even if the service period is less than 5 years (subject to applicable conditions).
- Where PF withdrawal exceeds ₹50,000 and service is less than 5 years, exemption may apply if the employee submits the prescribed declaration (e.g., **Form 121**, as applicable) along with PAN, subject to fulfillment of income-tax conditions.
- The transaction is a **transfer of PF balance** from one PF account to another (not a withdrawal).
- The termination of service is due to **ill health, closure of establishment, completion of project, or any other reason beyond the control of the employee**.

Important points to be noted

TDS will be deducted at the time of PF payment under **Section 192A of the Income-tax Act, 1961**. Members must quote **PAN** in PF withdrawal forms (e.g., Form 19) and in the applicable declaration form.

Declaration forms (important update):

- Earlier: **Form 15G / 15H**
- **From 1 April 2026: Form 121** is being introduced to replace Form 15G/15H.
- These forms are **self-declarations submitted to avoid TDS**, subject to eligibility.

Eligibility for submitting declaration (to avoid TDS):

- Declaration can be submitted only if **total taxable income is within the basic exemption limit** under income tax.
- If a valid declaration (Form 15G/15H / Form 121, as applicable) is submitted along with PAN, **no TDS will be deducted**, subject to eligibility.
- For active EPF members, contribution exceeding **₹2,50,000** per year does not attract TDS directly. However, **interest earned on excess contribution becomes taxable** and must be declared in the income tax return as per applicable slab rates.

TDS rates applicable:

- **10%** if PAN is submitted
- **Maximum marginal rate** (as applicable) if PAN is not submitted

PAN requirement:

- PAN is **mandatory** to avoid higher TDS.
- PAN should be provided with all withdrawal applications **where TDS is applicable**.

EXL Alumni Helpdesk – Registration Process

Visit the alumni portal website: <https://alumnihelpdesk.exlservice.com/alumni>

1. If you are visiting the portal for the first time, click **New user? Register** to register.
2. Enter the required details (Employee ID, Date of Joining [YYYY-MM-DD], personal email ID, and Date of Birth [YYYY-MM-DD]) to create your user ID. Ensure the details match EXL records.
3. After registration, an auto-generated email from **Global Alumni Support** will be sent to the personal email ID provided for verification (the email ID must not have been used earlier for registration).
4. The email will contain your username. Click the link in the email and create a password (minimum **8 characters**, including at least **1 lowercase**, **1 uppercase**, **1 number**, and **1 special character**, e.g., **Sur@1234**).
5. Log in using the username and password you created.
6. To raise a ticket, click **Register Query**, select the query category (Provident Fund, Full & Final, or Others), choose the sub-category (as applicable), enter the details in the description, and submit.

Points to Remember While Accessing Alumni Portal

Important: Download and save your key documents

- Please download and securely save your documents from the Alumni portal as soon as they are available (as applicable) to avoid post-separation follow-ups.
- Key documents include **Form 16** (last financial year), the **last 3 months' salary slips**, and your **Full & Final (F&F) statement**. In addition, please download and save your **Compensation/CTC letter, increment letter(s), and promotion letter(s)** from HRMS/Oracle **before your exit** (as applicable). *Tip:* In Oracle, check under **Me > Documents/Letters** (or equivalent menu as available).
- Keeping copies will help with **ITR filing**, background verification, and future reference.
- Tickets are generated and closed automatically when you download the following documents (as applicable): last financial year's Form 16, the last 3 months' salary slips, and the F&F statement.
- For any query raised on the portal, you will receive an email alert once the ticket is closed. To view the response, open the relevant ticket and check the response and/or documents shared for download.
- For the best experience, access the EXL Alumni Helpdesk from a laptop or desktop.
- If you are unable to view or download documents, clear your browser cookies/cache and try again.

For assistance on the EXL Alumni Helpdesk (<https://alumnihelpdesk.exlservice.com/alumni>), please use the contact numbers displayed at the bottom of the portal screen for the Digital HR Operations Team.

Points to Remember for Pending Clearances

Action Required: Complete pending clearances before your LWD. Please submit your assets (laptop, EXL ID card, and access card) to the relevant departments to avoid any delay in your **Full & Final (F&F)** settlement.

- Pending clearances may **delay processing of F&F** and any related payouts.
- Your **Experience-cum-Relieving Letter** may be shared only after required clearances are completed (as applicable).
- Any unreturned assets may result in **recoveries** being applied as per company policy.

Below are the email addresses for the respective departments for further updates:

Use **Technology (Tech Exit)** for **IT asset clearance** (e.g., laptop/IT assets) and **IBMS (IBMS India)** for **access card/ID card clearance**, as applicable.

Technology (Tech Exit): Tech.Exit@exlservice.com

IBMS (IBMS India): ibms.india@exlservice.com

We request you to complete all exit formalities and pending clearances on time to ensure smooth processing of your wages, statutory benefits, and Full & Final (F&F) settlement. For any post-exit queries related to PF/ESIC/F&F or document downloads, please use the **EXL Alumni Helpdesk** as the primary support channel. We thank you for your contributions to EXL and wish you the very best in your future endeavours.
